in mid-November 1950, that an aircraft repair shop was established in the hangar beside the technical school. \* Damaged aircraft were allegedly repaired and new biplanes which arrived in crates were said to be assembled there. \*\*

25X1

\* comment. The Dalbanovski Unit is reported for the first time.  
comment. To date, the information has not been confirmed by other  
 \* Two ground attack regiments are believed to be stationed at the field. Considering the frequent shipments arriving at Jueterbog it is believed possible that technical shops or supply installations could also exist at the field.
